Spunk with Attitude

And in other nice-guy celeb chapter this week, reader Kelly Gate was having lunch with friends on Tuesday when motivational speaker and Attitude clothing boss Justin Herald rocked up in his BMW.

“I must say that after reading his book a few of us were in awe but I have to say he is spunkier in the flesh,” she gushes.

“There were many around us who knew him as well, who were just as impressed as we were, as he gave us his time for us to have a chat to him.”
